Introduction:

Music plays a very significant role in National and State Board’s Art Education Curriculum. Since there is a lot of scope to develop the creativity of the students in Art Education, The curriculum of music would definitely help in developing the hidden qualities of the students.

Human life gets enriched due to Art that’s why Art has been given significance in the curriculum. While restructuring the curriculum the students have been given the opportunities as per their age and interest and due to that his ability to express & stage daring would increase surely. The student would take pleasure after the study of each unit. They would do introspection. In this way only they would become professionals like artists, teachers, accompanists etc.

It is also possible to make use of music in co-curricular activities. Self-study has a great importance in music and thus the curriculum also aims to inculcate the value and importance of ‘RIYAZ’ in the students.
