Introduction

This curriculum framework for the subject of English (First Language) at Std. IX and X has been prepared bearing in mind the National Curriculum Framework and the State Curriculum Framework, the curriculums of the CBSE, the ISCE and different State Boards and opinions expressed by teachers on the existing curriculum framework.

In view of the developments in the field of Information and Communication Technology, the Board recommends increasing use of technology for effective implementation of the curriculum of English. The new curriculum underscores the need of making education learner centered and of adopting the constructivist model of education. The learner, therefore, is expected to discover and construct his/her learning.

General Objectives

The course of English (First Language) at Std. IX and X has been prepared considering the fact that the students have studied English from Class I to Class VIII. Further, they have also studied other school subjects through the medium of English. The dual exposure to English language that the students have received has been taken into consideration while designing this course.
